

HONORS RECITAL APPLICATION

The Honors Recital is an annual showcase of Music Center students, with performers chosen by audition. Two adjudicators from outside Music Center will listen for the most polished and musical performances and select students to create a program that reflects the diversity of ages, instruments, and experience levels at Music Center. Performers are featured in Music Center’s newsletter and appropriate publicity. Students selected for the Honors Recital will also share \$1,000 in scholarship money for future lessons at Music Center. In addition, they will be considered for the Hoyt Scholarship for the 2017-2018 school year (with a maximum value of \$1,250) towards regular weekly lessons.

It is expected that the same repertoire will be performed at the audition and the Recital. Beginning students may perform more than one piece.
